Junior Age Exemption

CONSENT FORM

BACKGROUND

The VCFA has a strategic focus on engagement and growth across the junior competitions to ensure a solid foundation for the association's strength into the future. To support this, on occasion club teams may need support through player age exemptions (refer Match Rule 12.1.4).

The intention of providing any exemption is that it is considered beneficial to the development of the player, development of the club and most importantly, fair development of the competition.

For a player to be given an age exemption, the club must complete this form before being sent access to the exemption application form.
