INCIDENT REPORTING

The Victorian Churches Football Association (VCFA) is a values based, community focused football association, where matches and venues provide an environment where all members of community can participate or spectate in a safe and friendly manner.

On occasion, the values and expectations of the VCFA are not met in matches and at venues. This form is for reporting on incidents which occur on a match day that do not align with VCFA values.
This report may be completed by any participant or spectator at a match, but must be submitted by the club President, to the VCFA General Manager (gm@vcfa.org.au).
